

Cable with female connector

KIZ-4-67

Female connector KIZ-4-67:
Suitable for sensor connector outlet, 4 pin

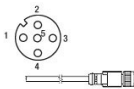

Ready-made shielded connection cable with female cable connector straight, shield connected, IP67+IP69K.

KIAZ-4-67

Female connector KIAZ-4-67:
Suitable for sensor connector outlet, 4 pin

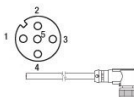

Ready-made shielded connection cable with female cable connector angular, shield connected, IP67+IP69K.

KIZ-5-67

Female connector KIZ-5-67:
Suitable for sensor connector outlet, 5 pin.

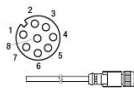

Ready-made shielded connection cable with female cable connector straight, shield connected, IP67+IP69K.

KIAZ-5-67

Female connector KIAZ-5-67:
Suitable for sensor connector outlet, 5 pin.

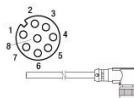

Ready-made shielded connection cable with female cable connector angular, shield connected, IP67+IP69K.

KIZ-8-67

Female connector KIZ-8-67:
Suitable for sensor connector outlet, 8 pin

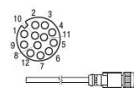

Ready-made shielded connection cable with female cable connector straight, shield connected, IP67+IP69K.

KIAZ-8-67

Female connector KIAZ-8-67:
Suitable for sensor connector outlet, 8 pin

Ready-made shielded connection cable with female cable connector angular, shield connected, IP67+IP69K.

KIZ-12-67

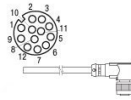

Female connector KIZ-12-67:
Suitable for sensor connector outlet, 12 pin

Ready-made shielded connection cable with female cable connector straight, shield connected, IP67+IP69K.

KIAZ-12-67

Female connector KIAZ-12-67:

**Suitable for sensor connector outlet, 12
pin**

Ready-made shielded connection cable with
female cable connector angular,
shield connected, IP67+IP69K.
